

Your Brand Kit

Here is your brand kit, so you can see how your business will be seen by the world.

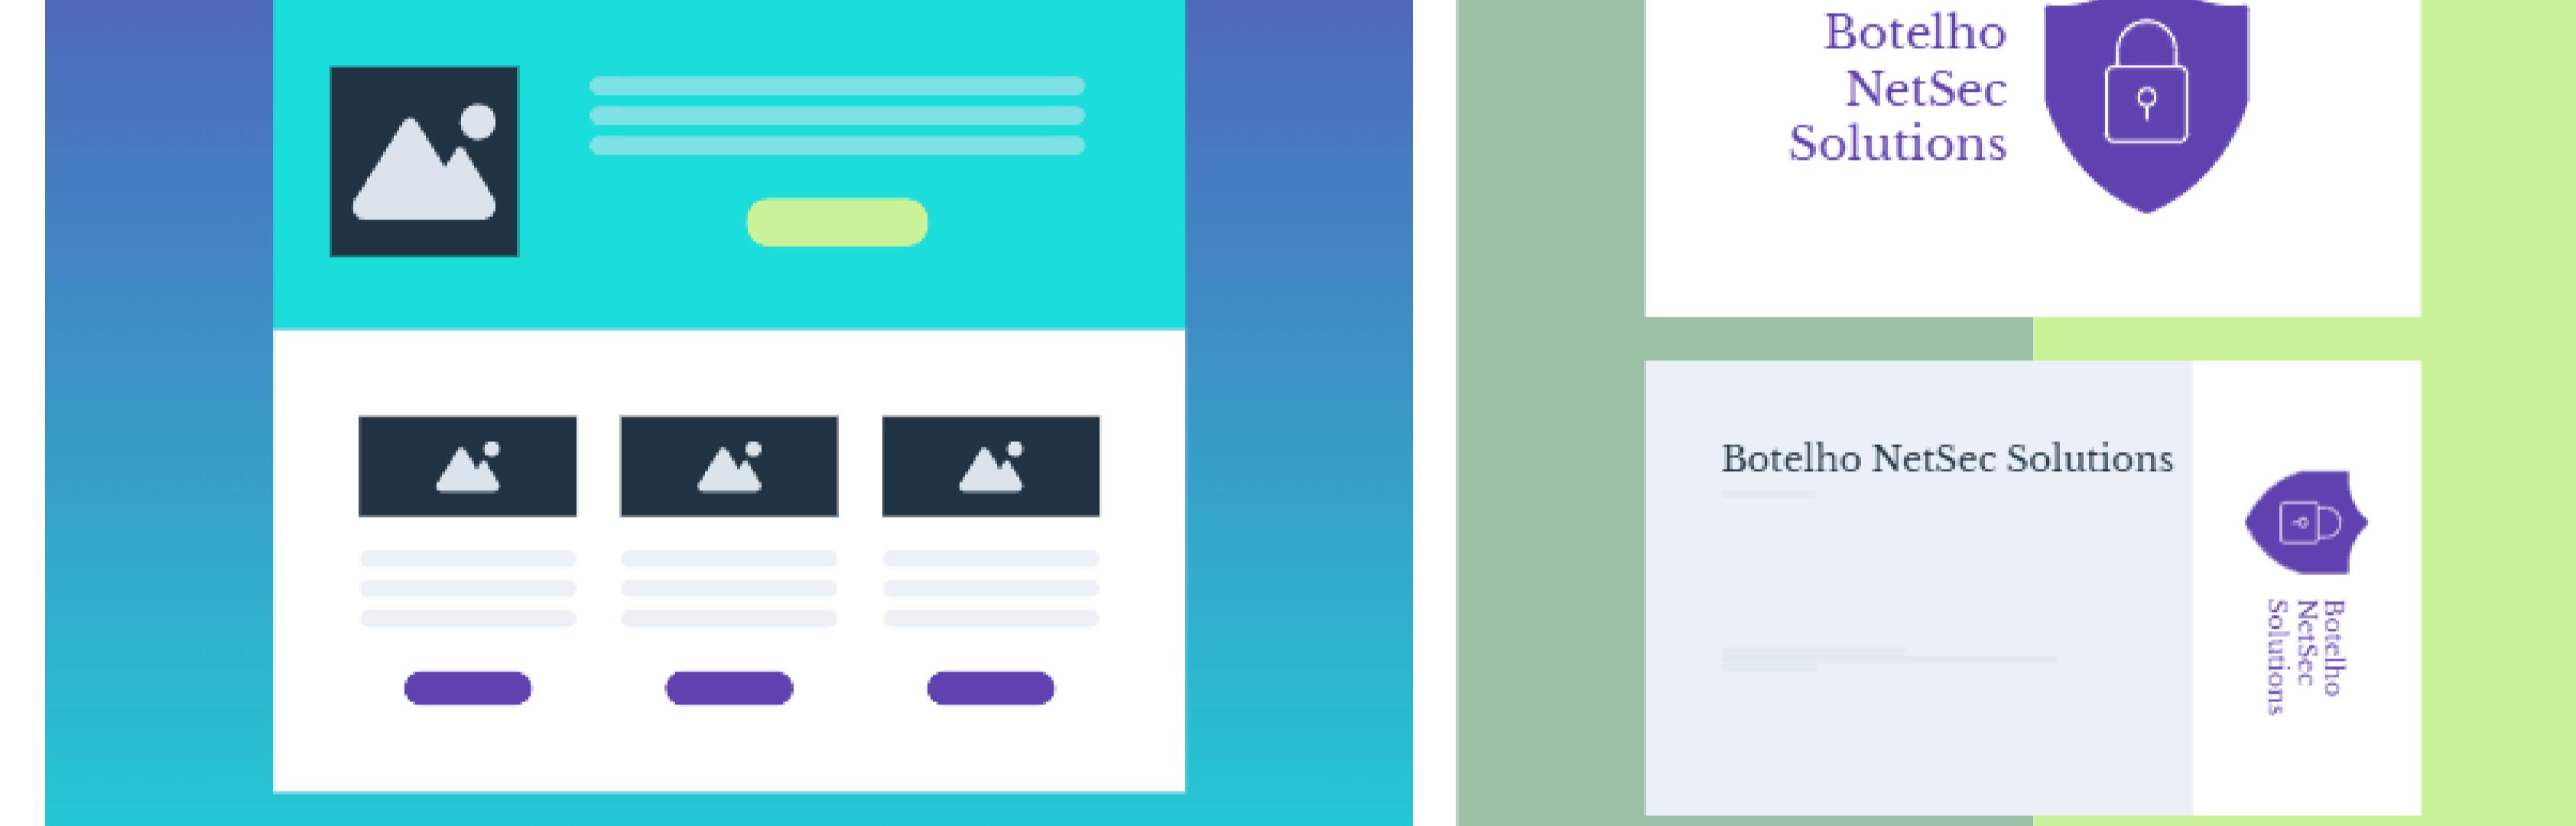

The logo

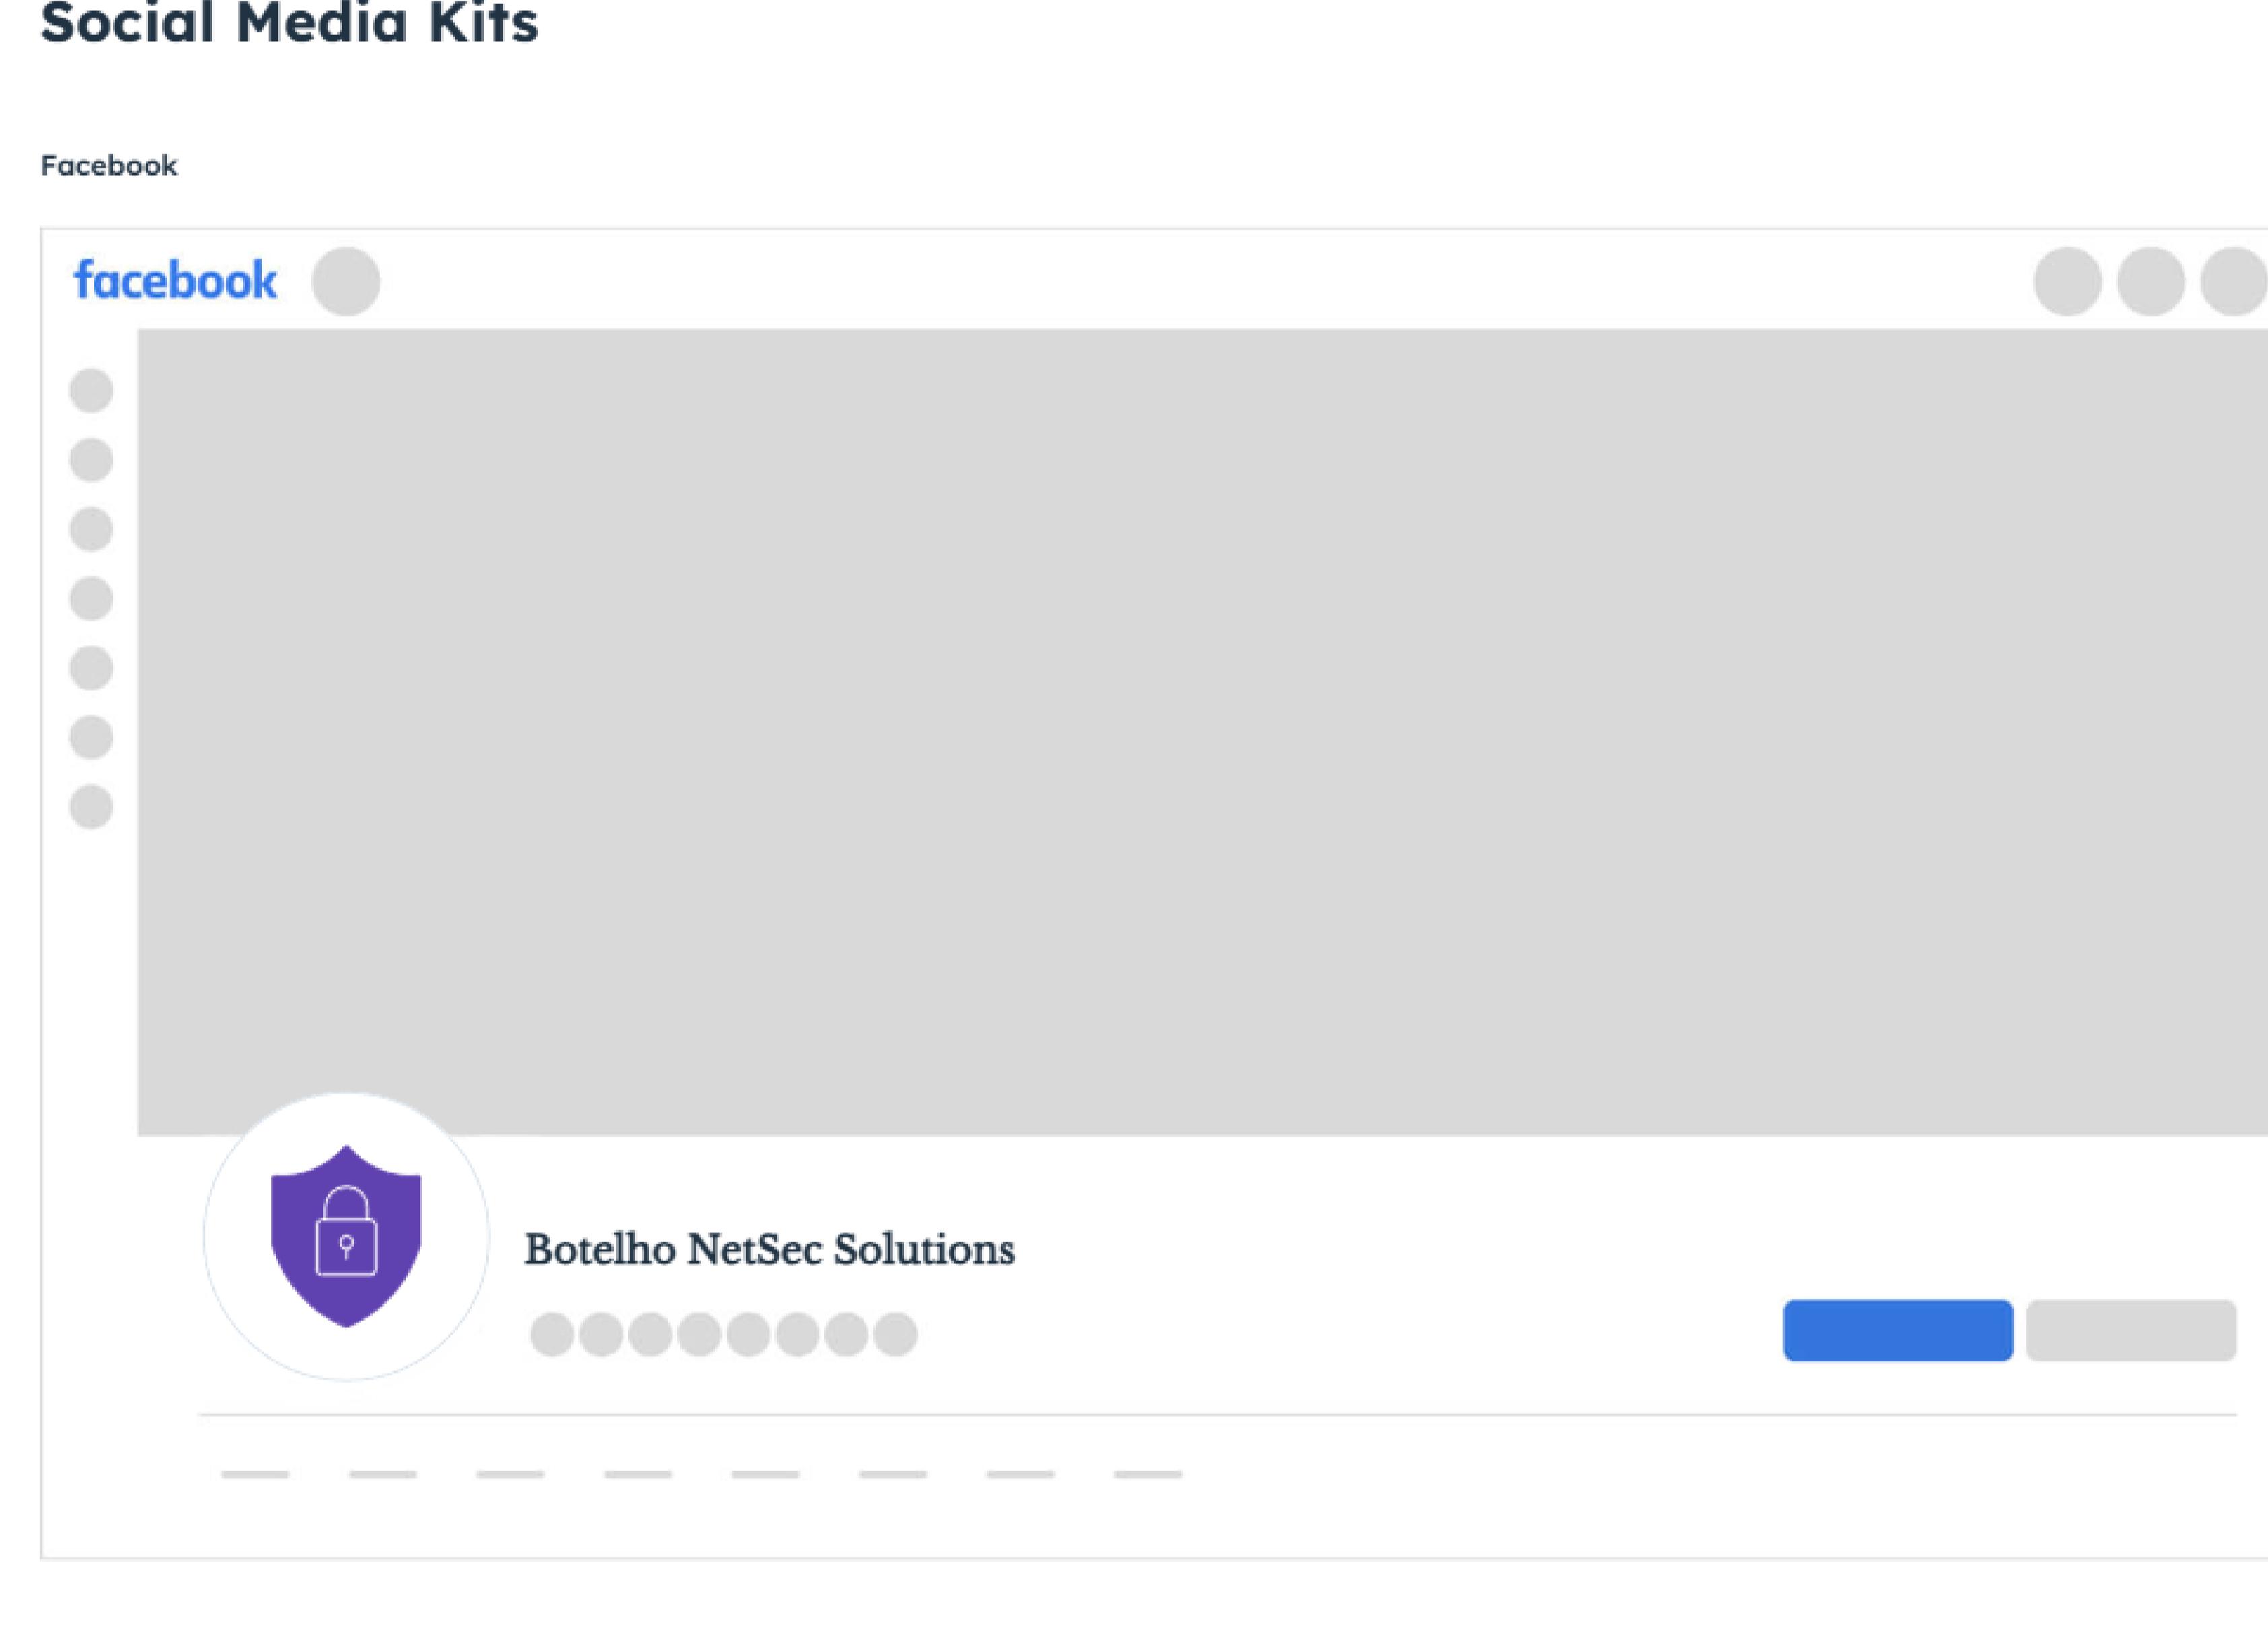

Typography

Libre Baskerville is a web font optimized for body text (typically 16px.) It is based on the American Type Founder's Baskerville from 1941, but it has a taller x-height, wider counters and a little less contrast, that allow it to work well for reading on-screen. Join the project at github.com/impallari/Libre-Baskerville
